## Choose Ferne

Ferne Animal Sanctuary has been doing good deeds for animals for over 75 years. We work with individuals, communities and businesses across the South West. There are a range of opportunities to get involved with Ferne and we value contributions from businesses of all shapes and sizes.

We work in partnership with all interested businesses so that we can both benefit from working together. Supporting Ferne Animal Sanctuary can offer the following benefits:

- **Enhanced Corporate Social Responsibility and company profile**
- **Association with a local charity and a deserving cause**
- **Building your brand profile through working with a charity that has been operating for over 75 years**
- **Access to the Sanctuary and its facilities**
- **Team building opportunities**

One of the great privileges of running a business is the opportunity to give to charitable causes that matter to you and your staff. Every day, companies share their success by giving money, products, volunteer hours and so much more to good causes in their communities.
